CPU Frequency Scaling

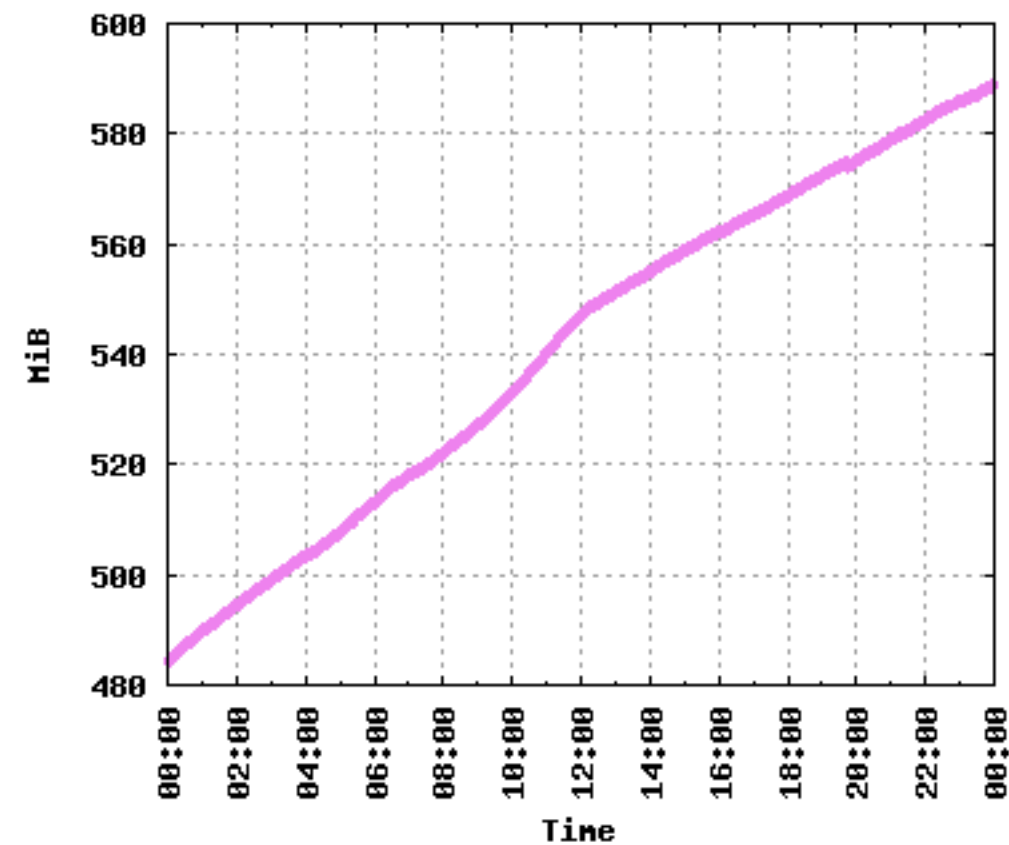

Memory utilization statistics
srv3.unixos.org, 01/26/14
MemFree (include cache+buffers)

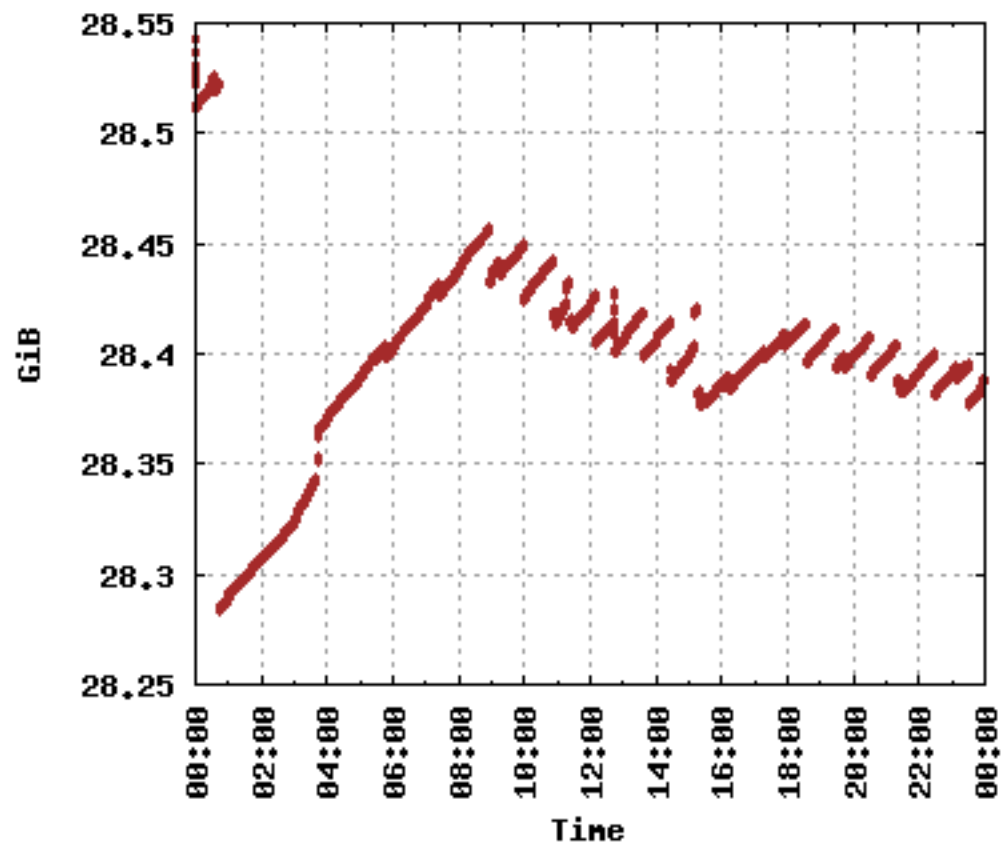

MemUsed (exclude cache+buffers)

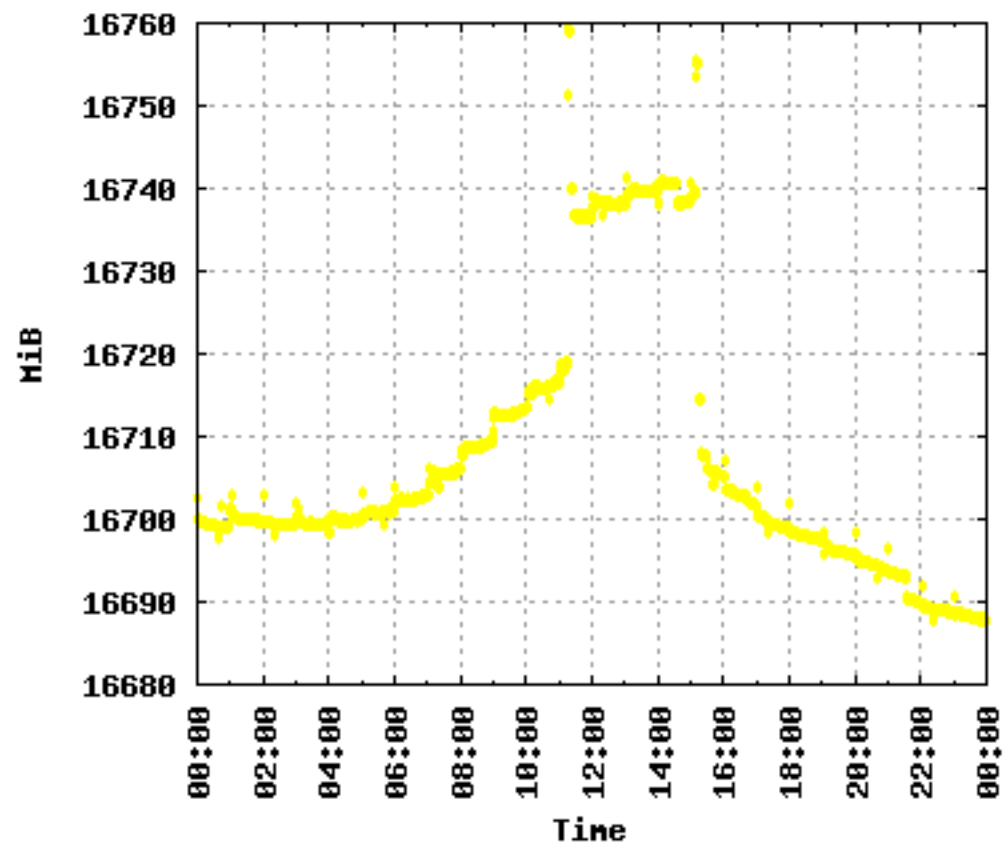

Buffers

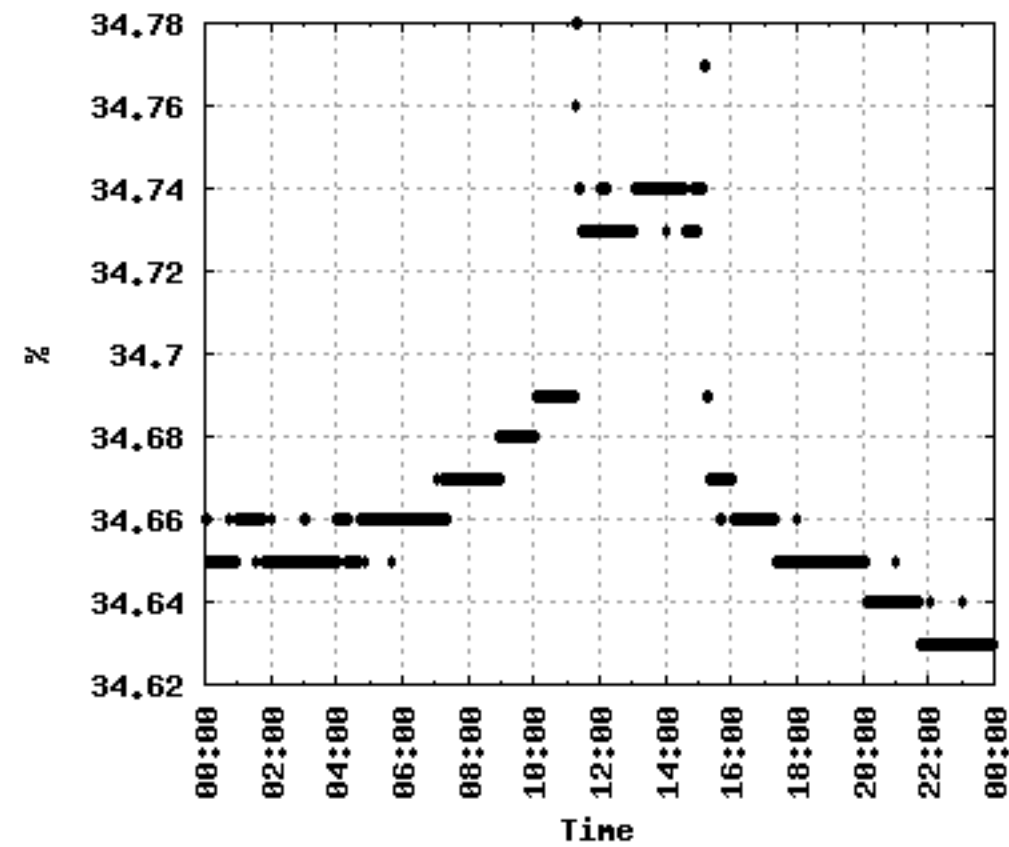

Cache

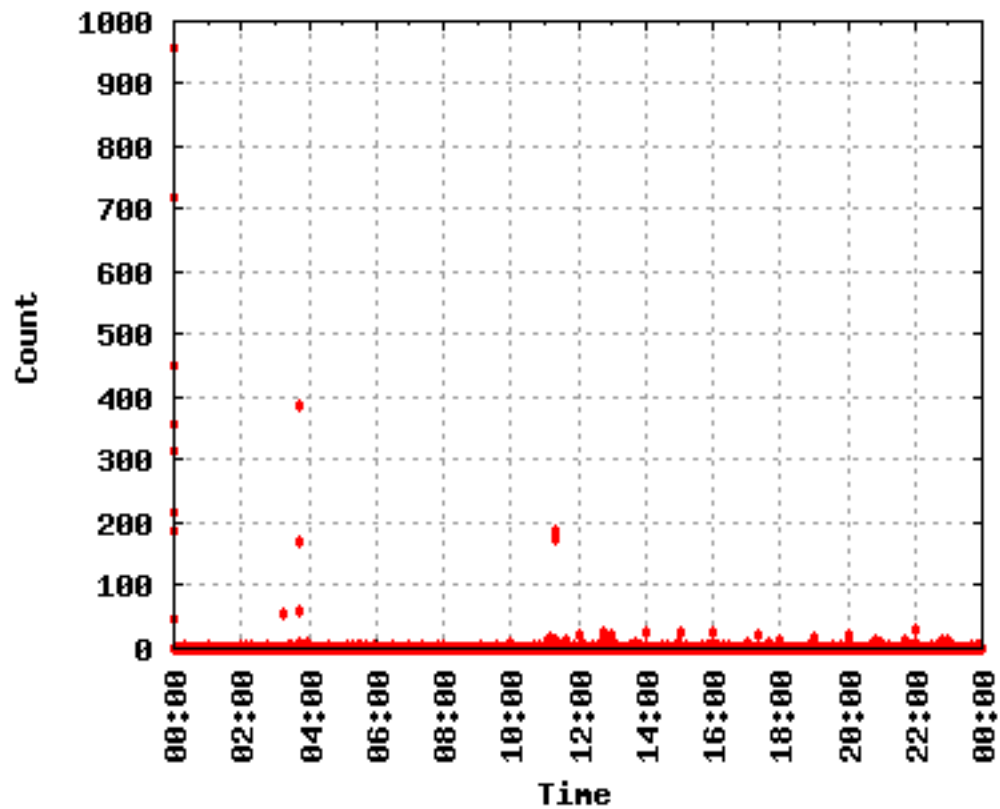

Memory Commit

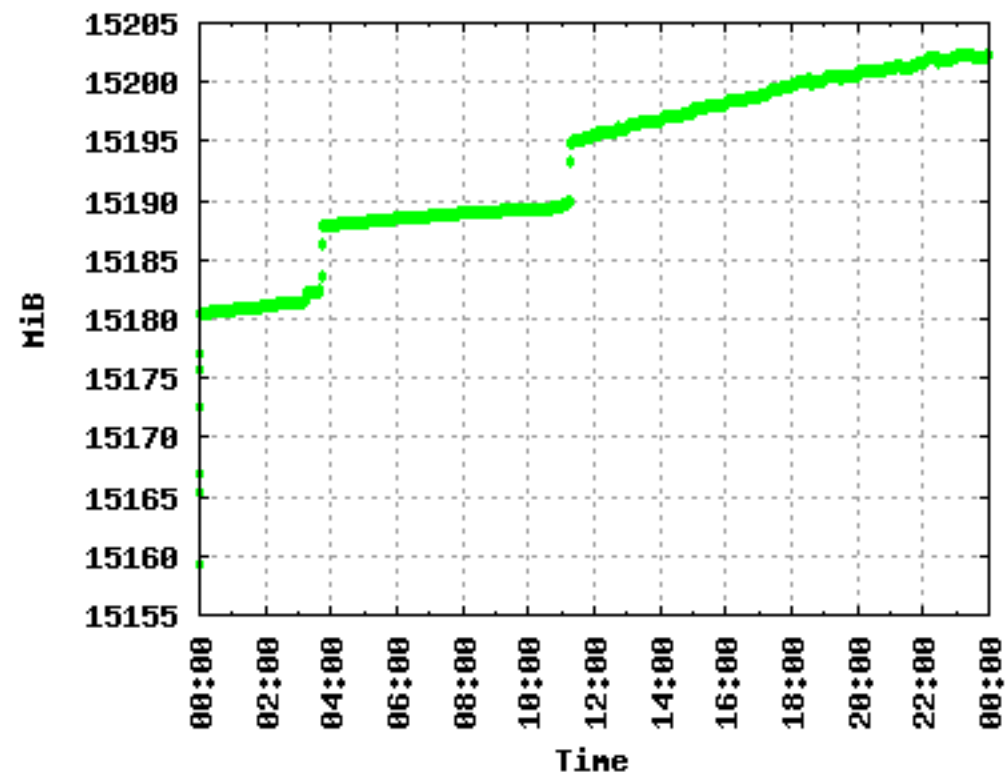

Memory Commit

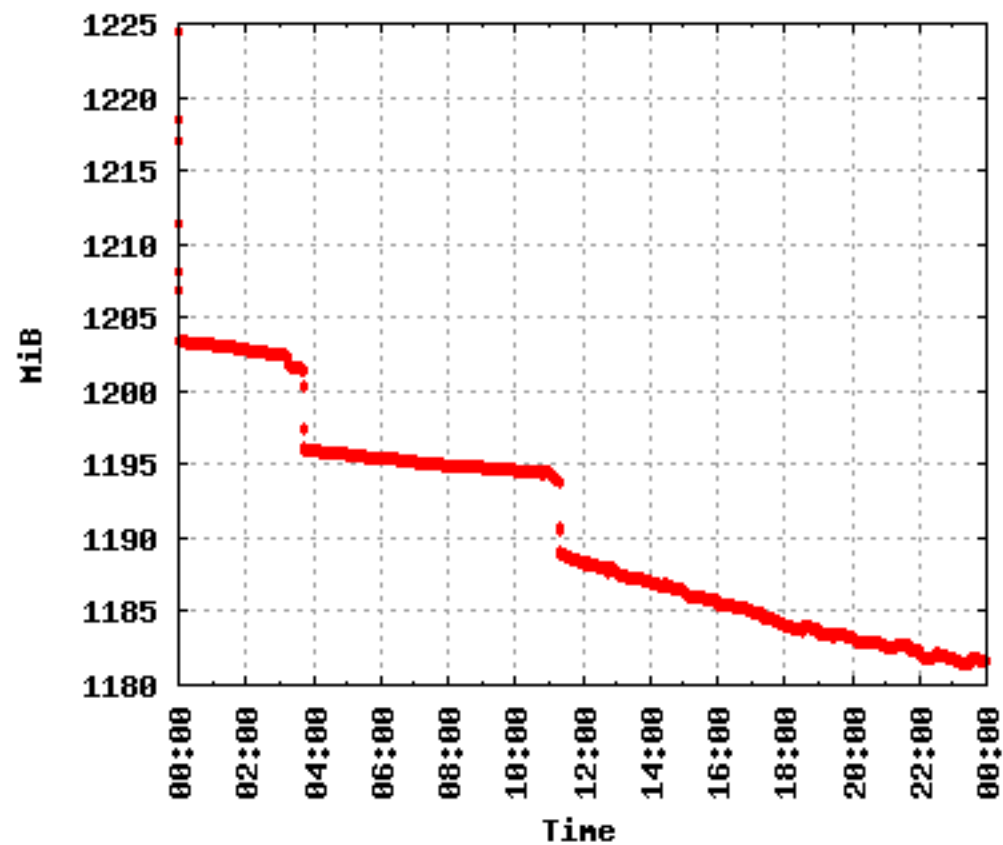

srv3.unixos.org, 01/26/14
Pages Swapped In/s

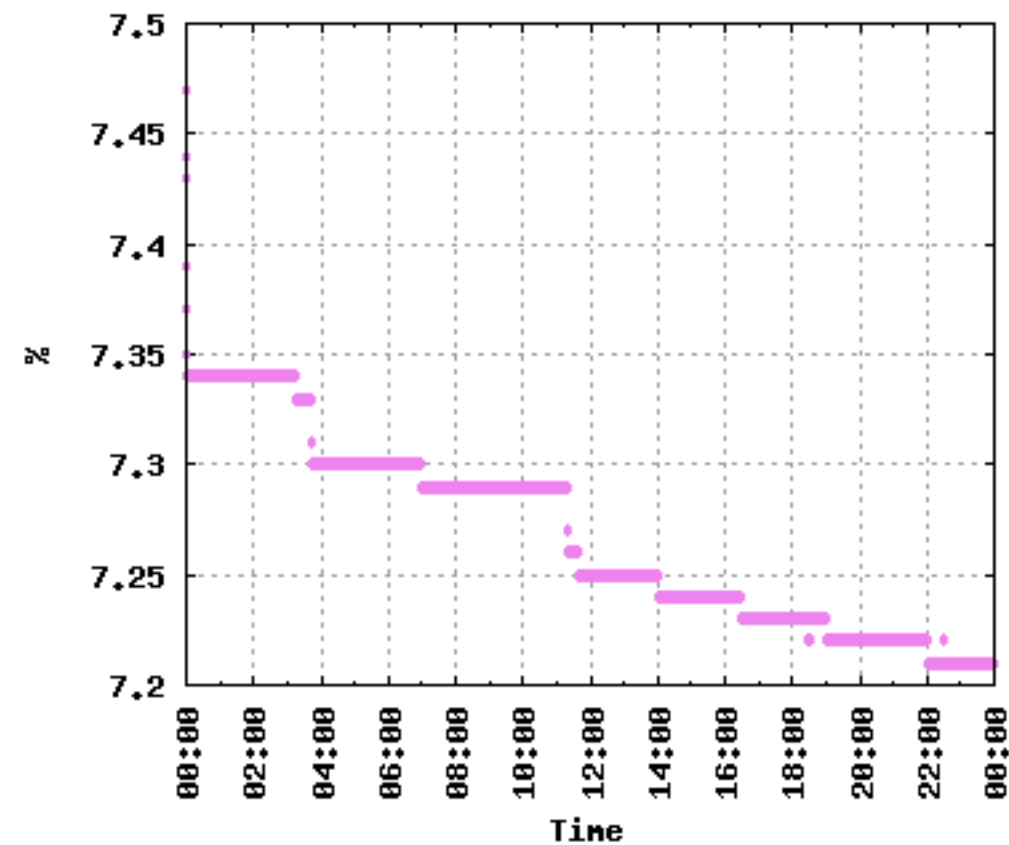

Swap Utilization
srv3.unixos.org, 01/26/14
Free Swap Space

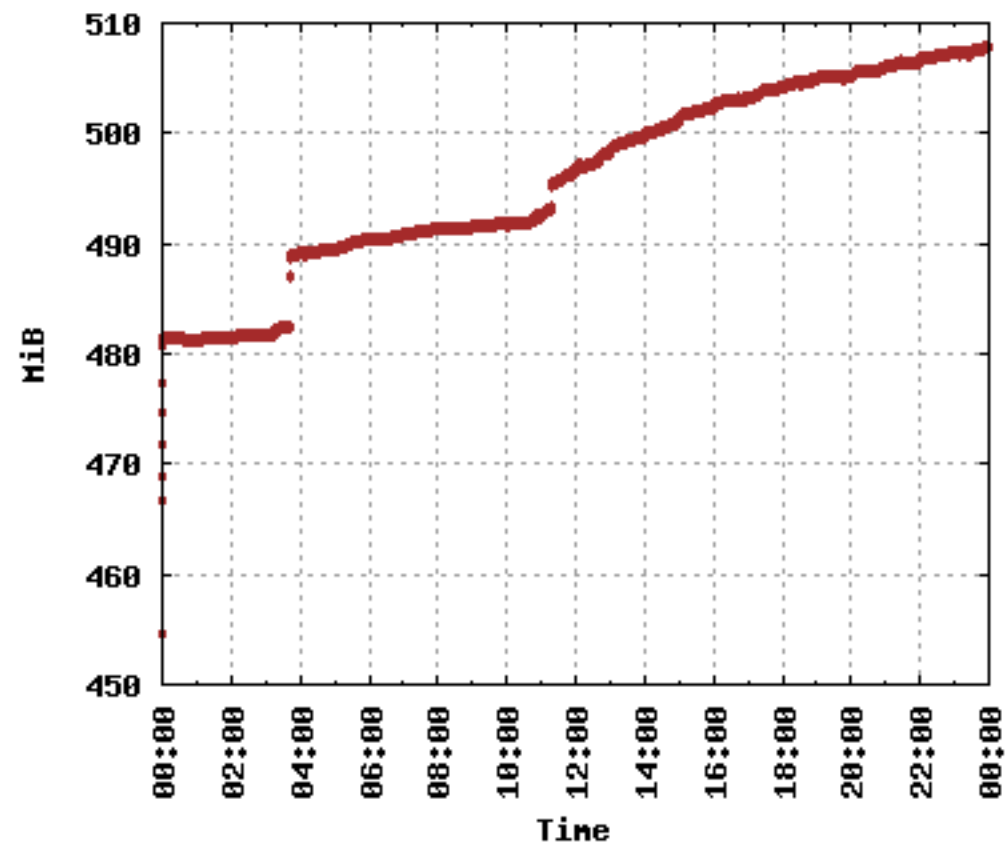

Used Swap Space

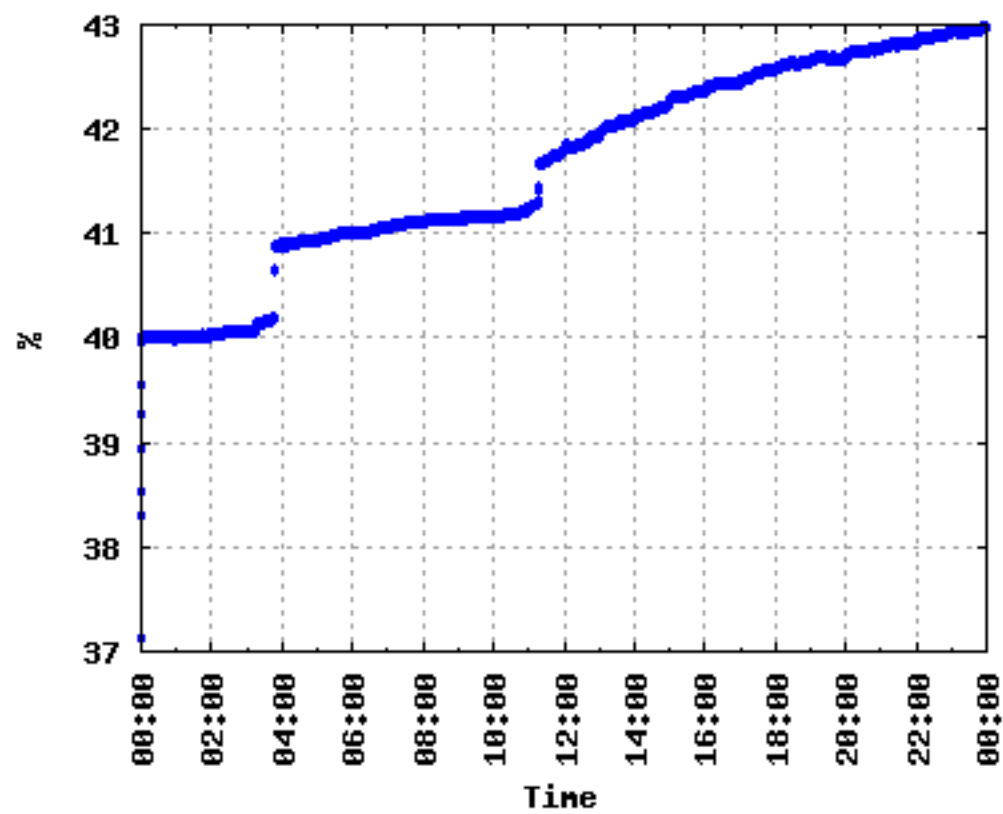

Swap Used

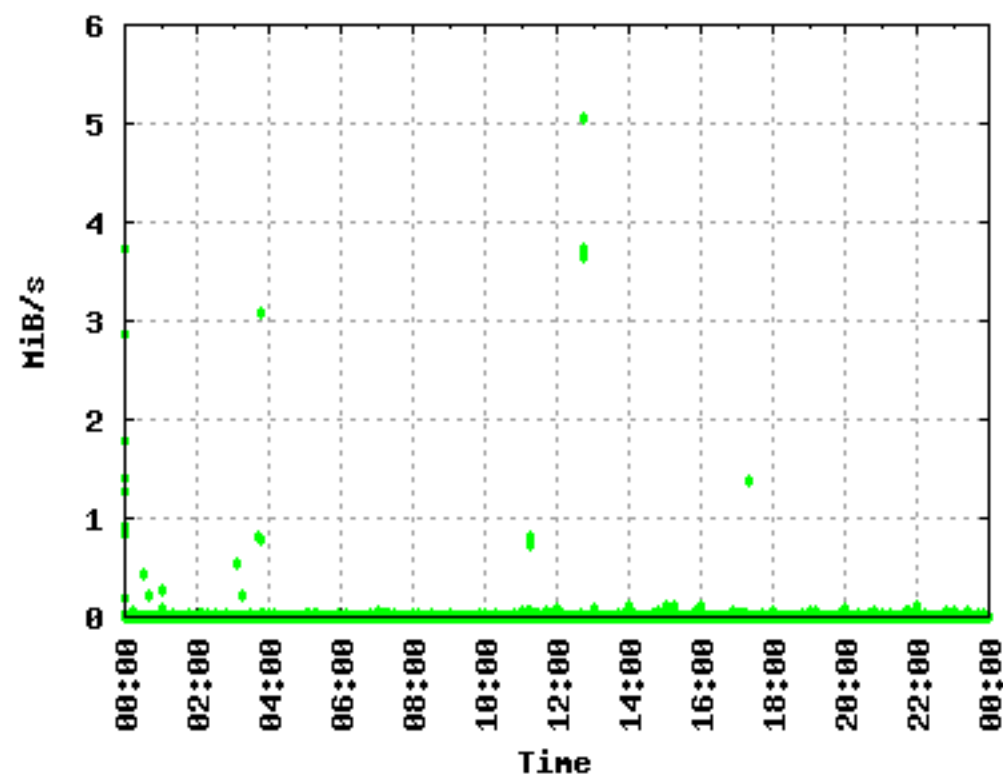

Cached Swap Memory

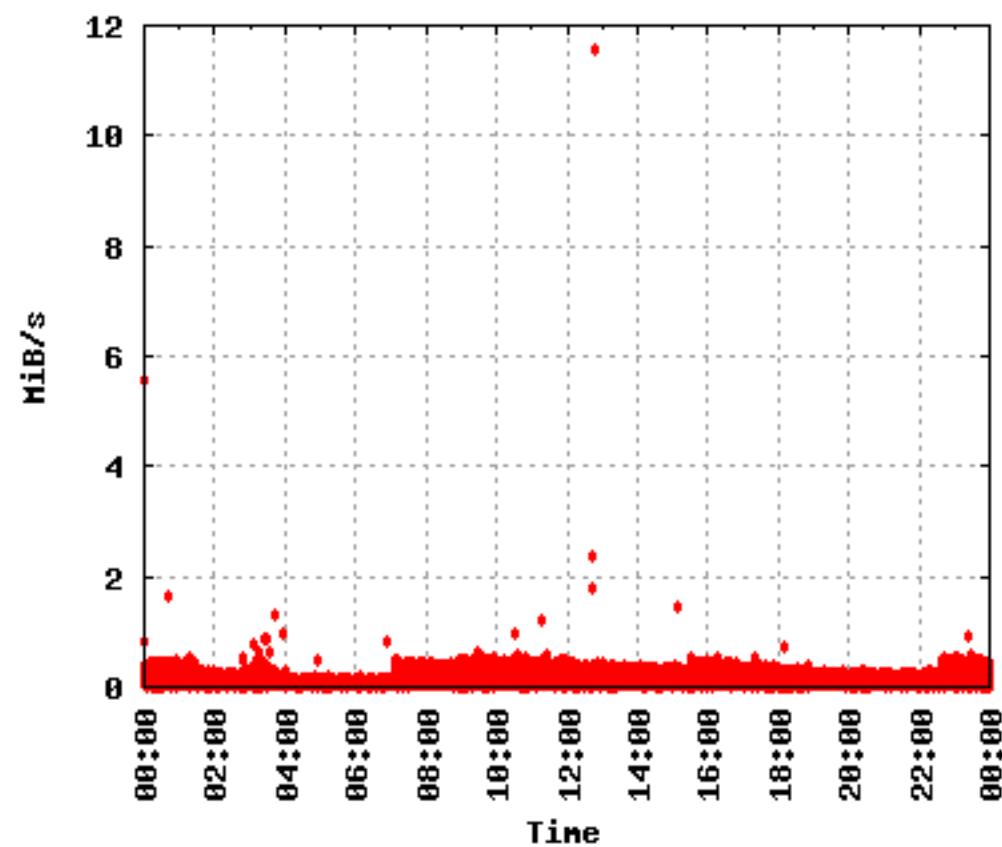

% of cached swap memory
in relation to swap used space

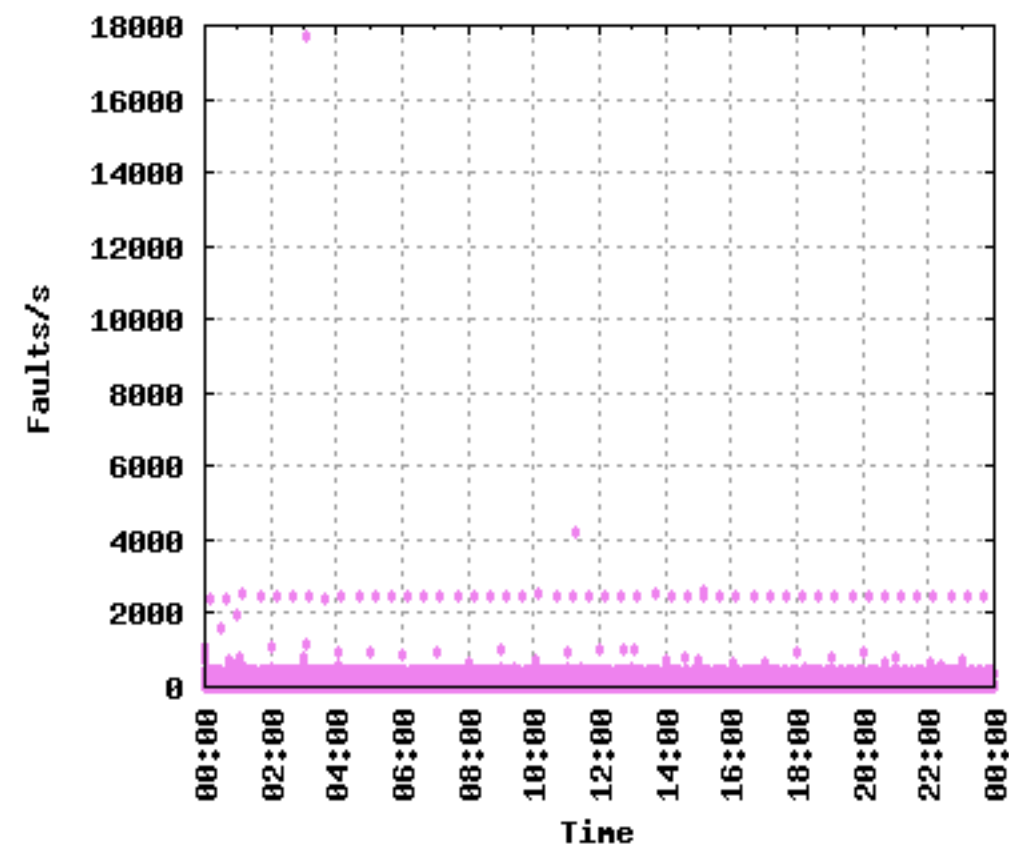

Paging statistics
srv3.unixos.org, 81/26/14
Data Paged in from disk

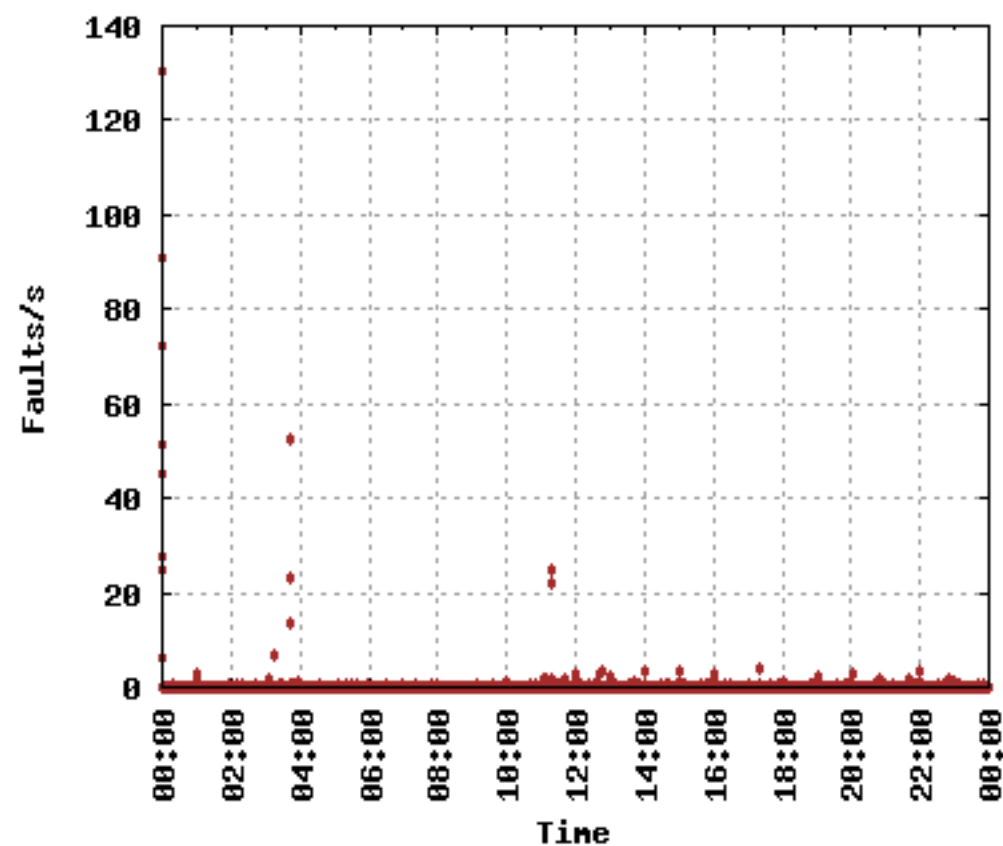

Data Paged out to disk

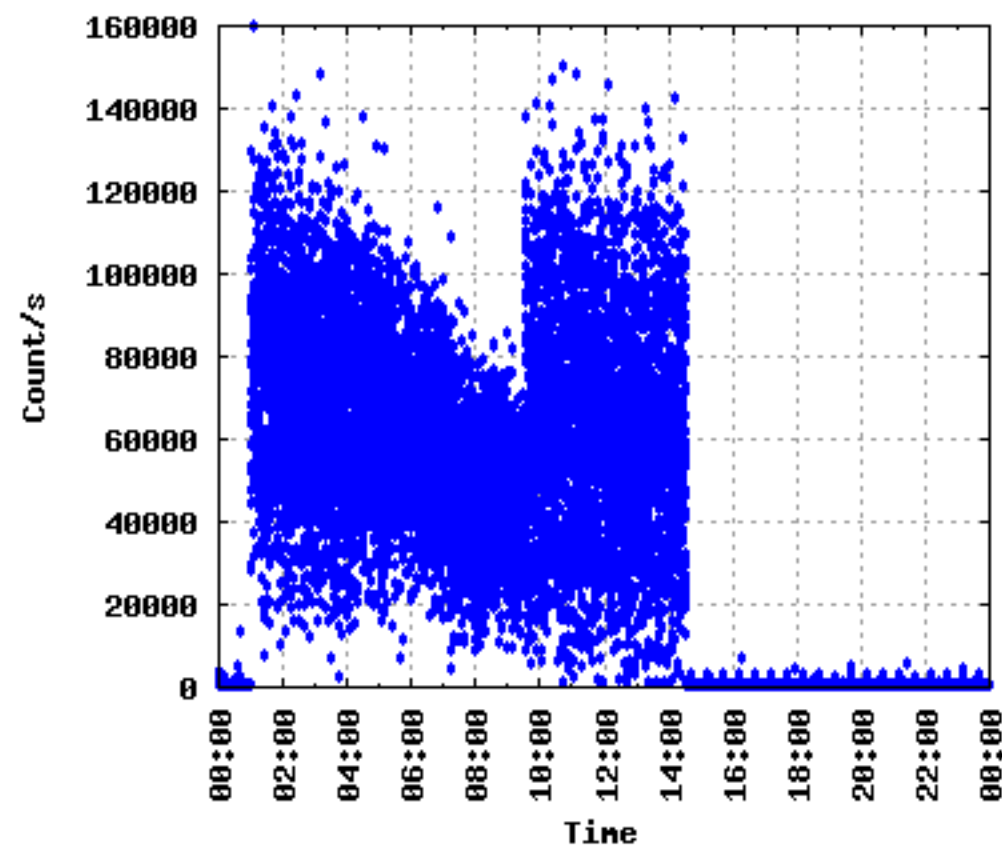

Total page faults (maj+min)

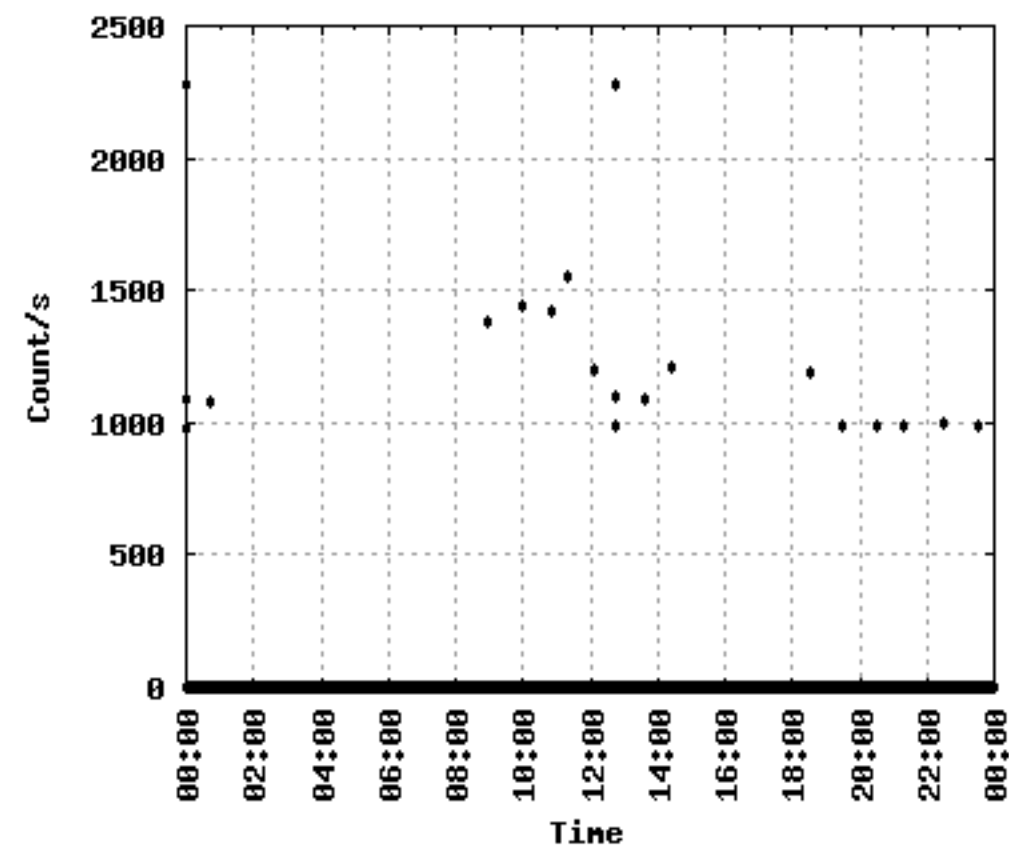

Major Faults

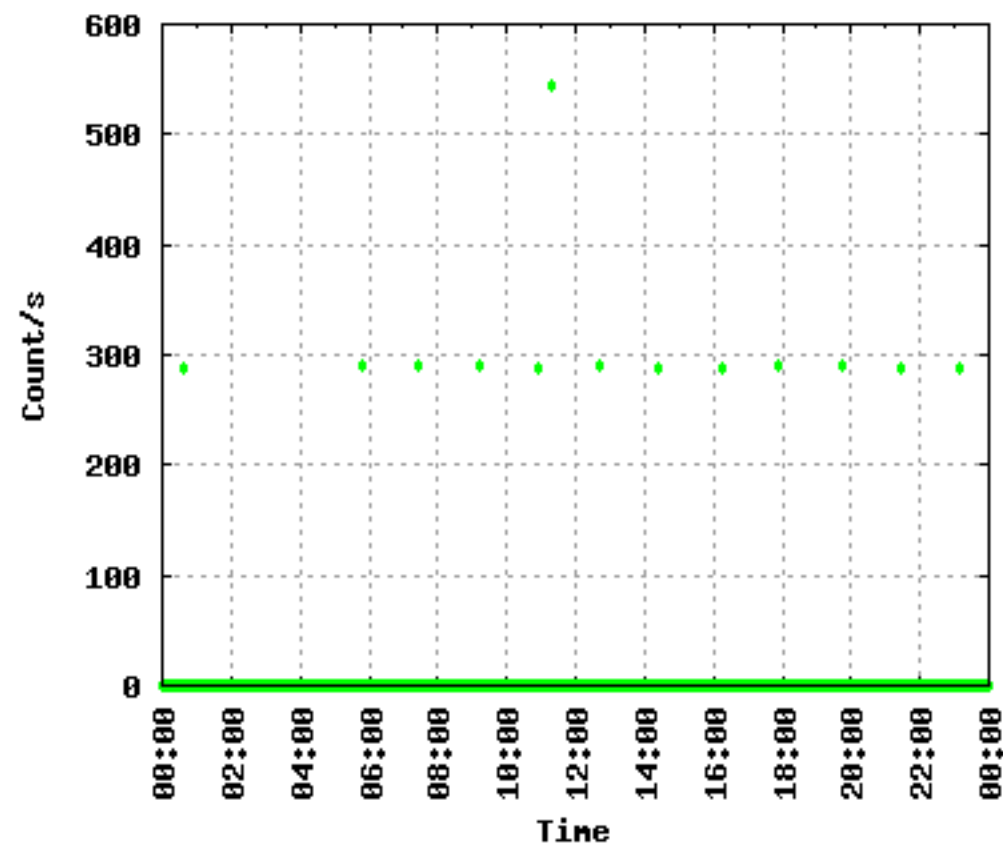

Pages placed on the free list

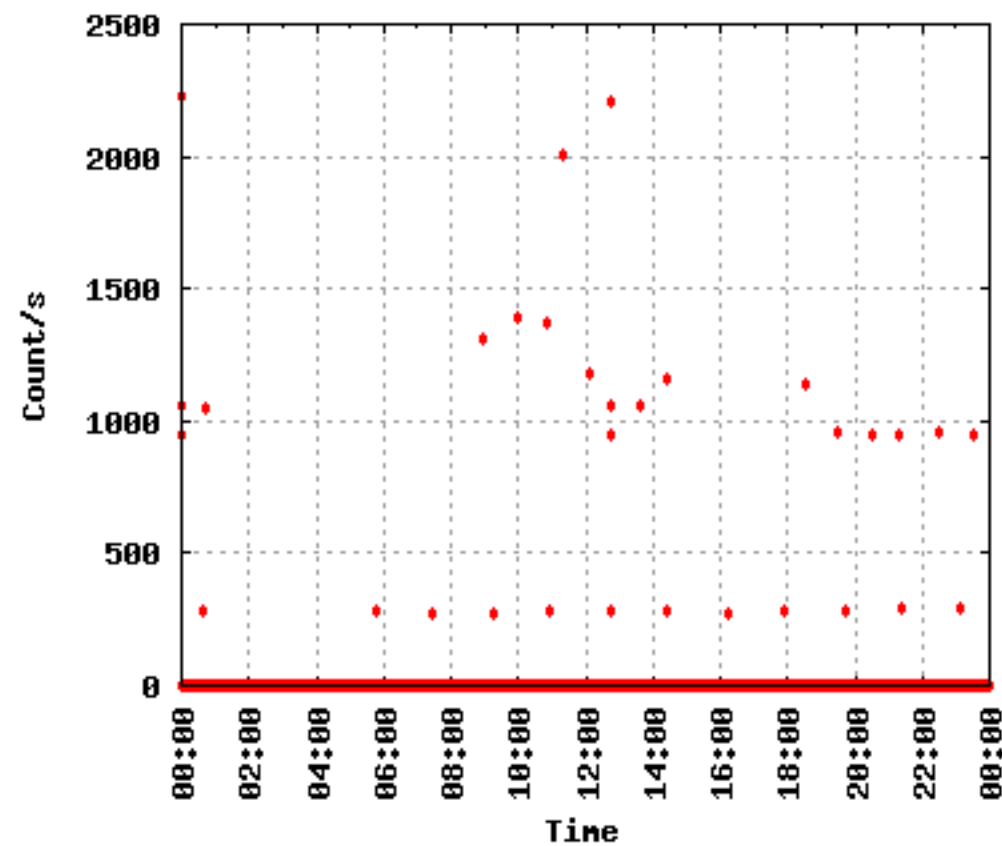

Pages scanned by kswapd daemon

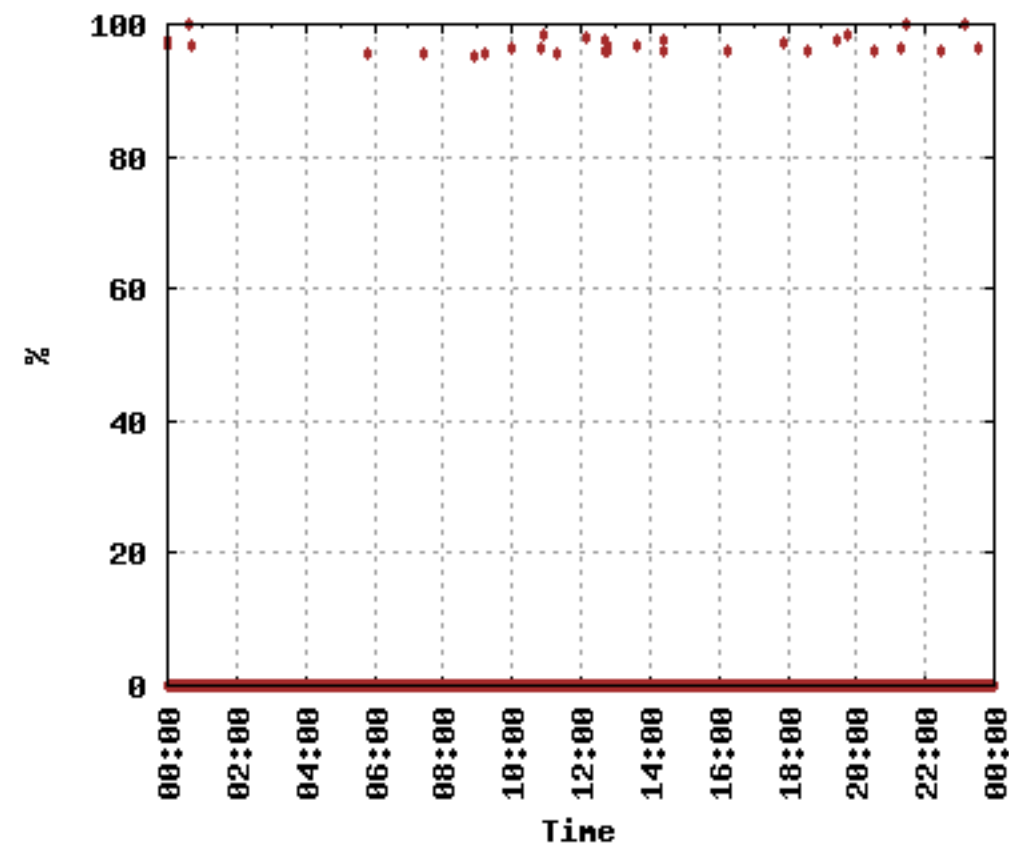

Pages scanned directly

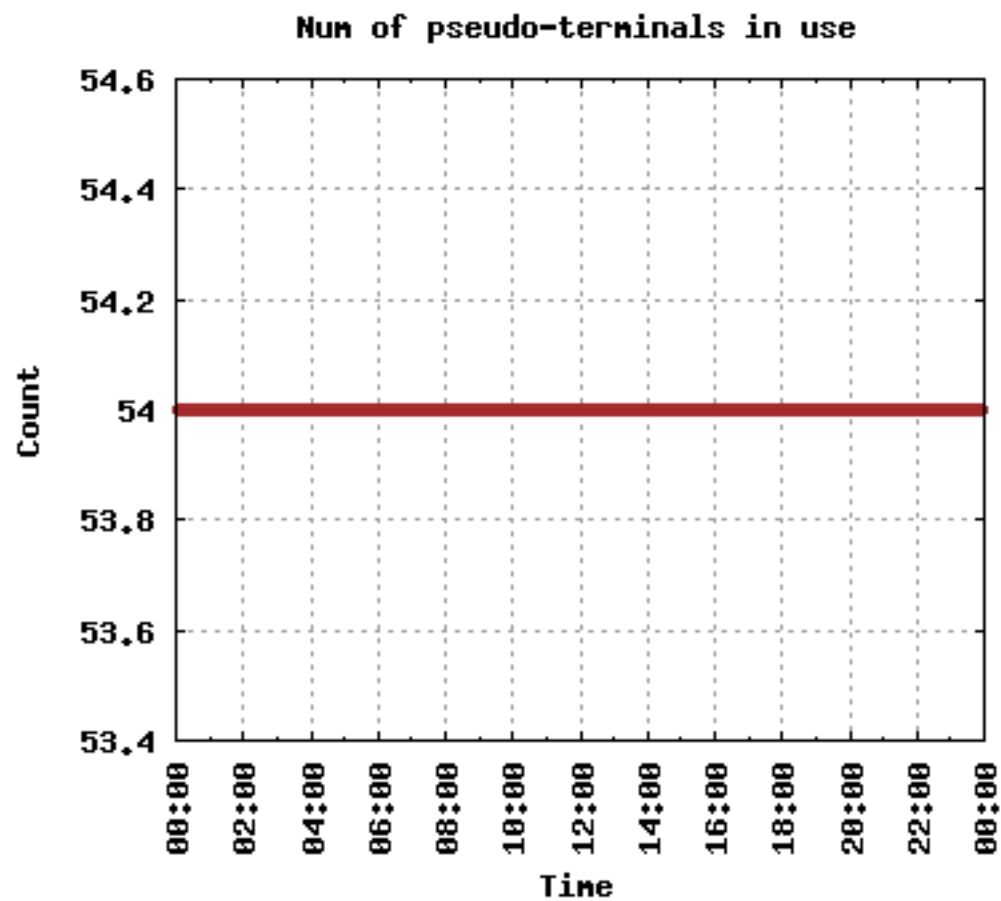

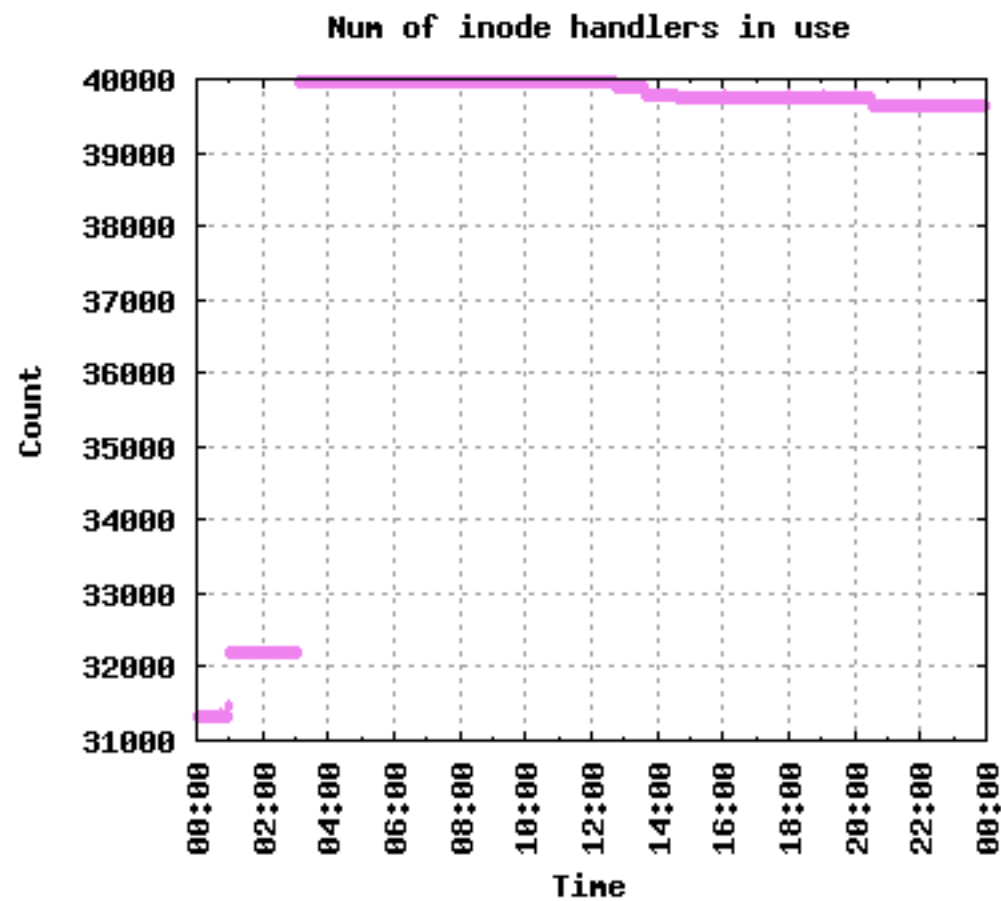

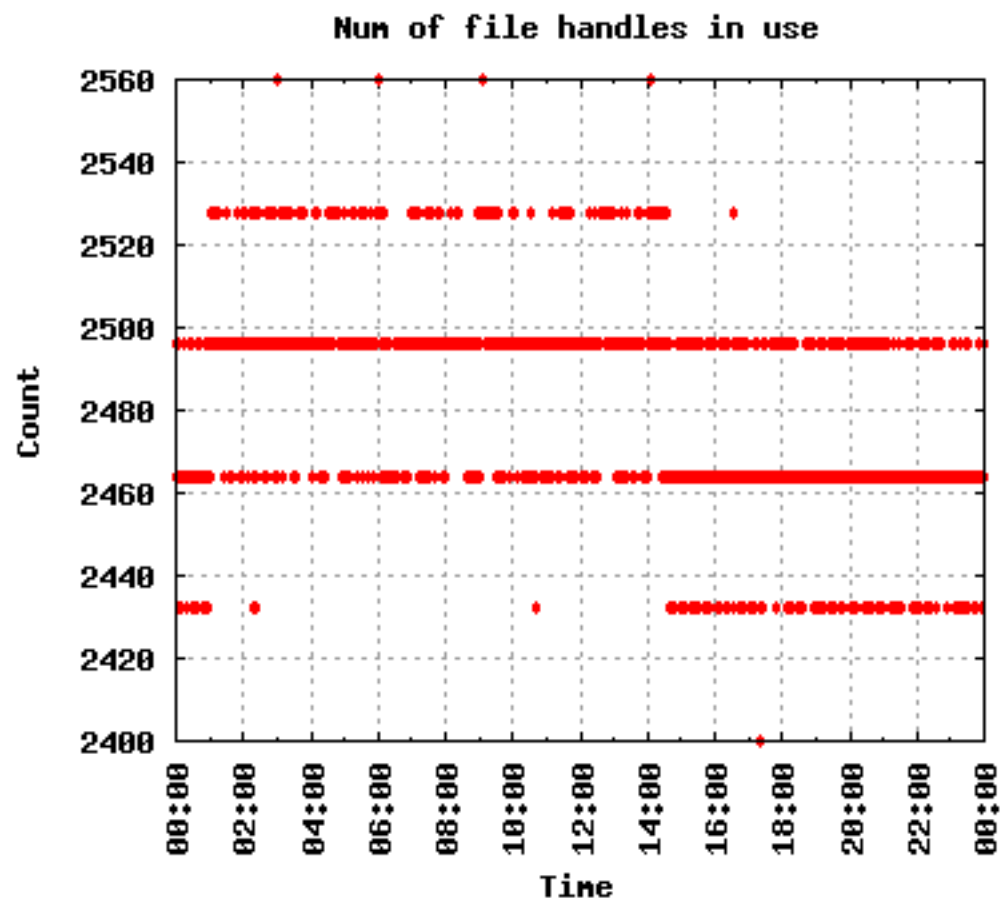

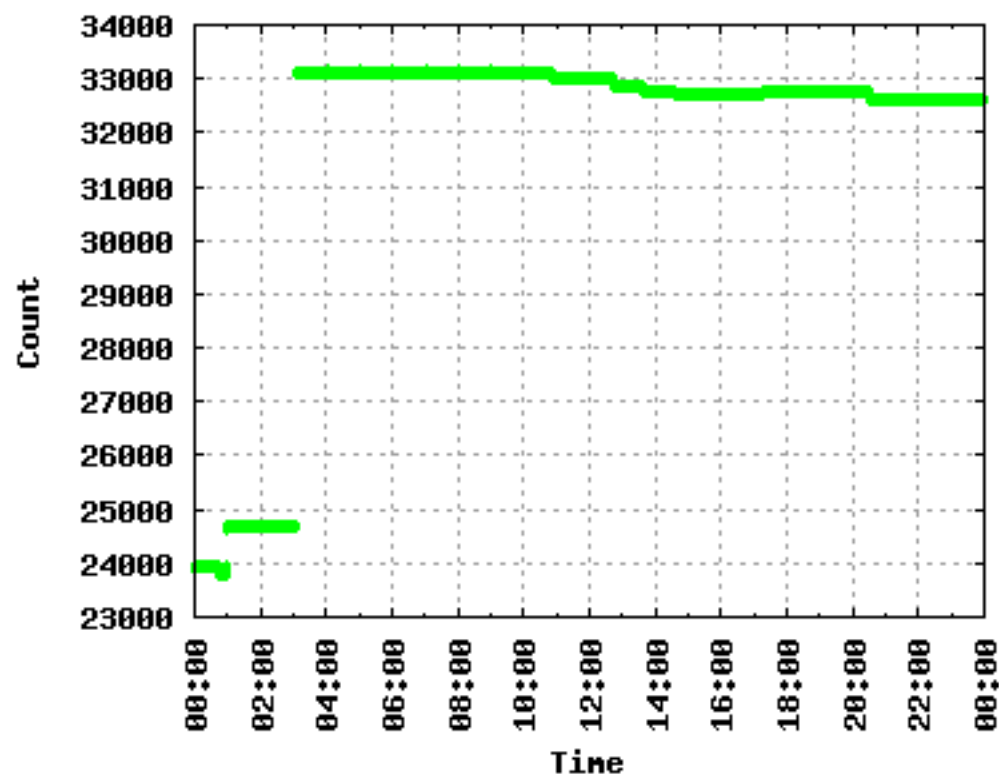

Pages reclaimed from cache (pagecache+swapcache)

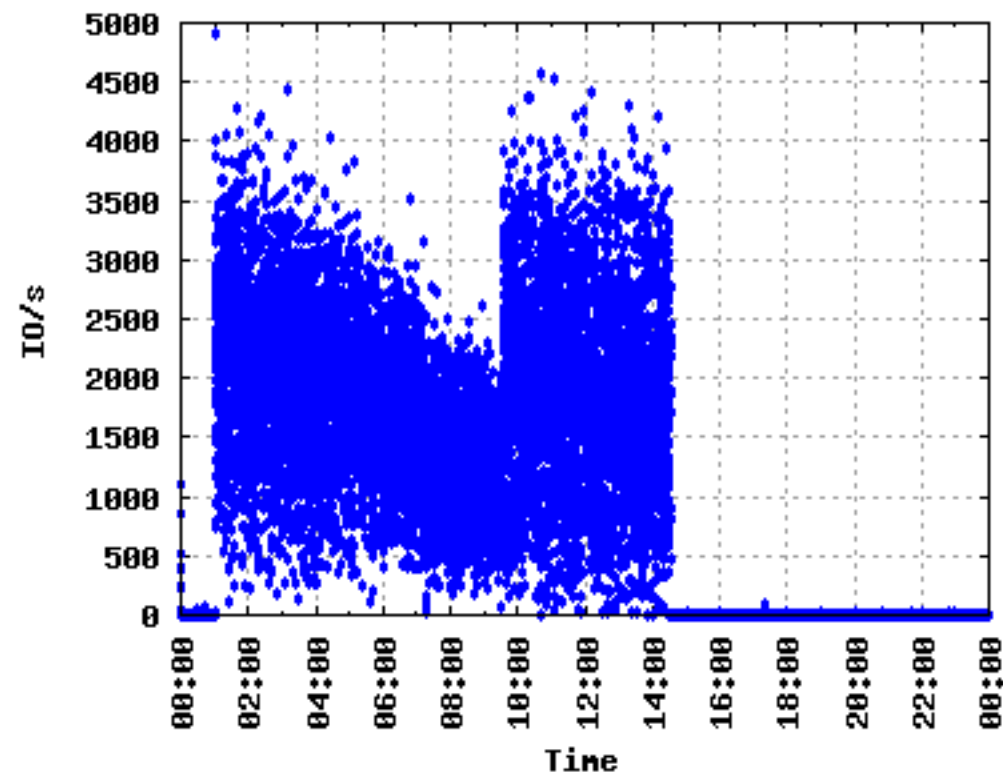

Efficiency of page reclaim

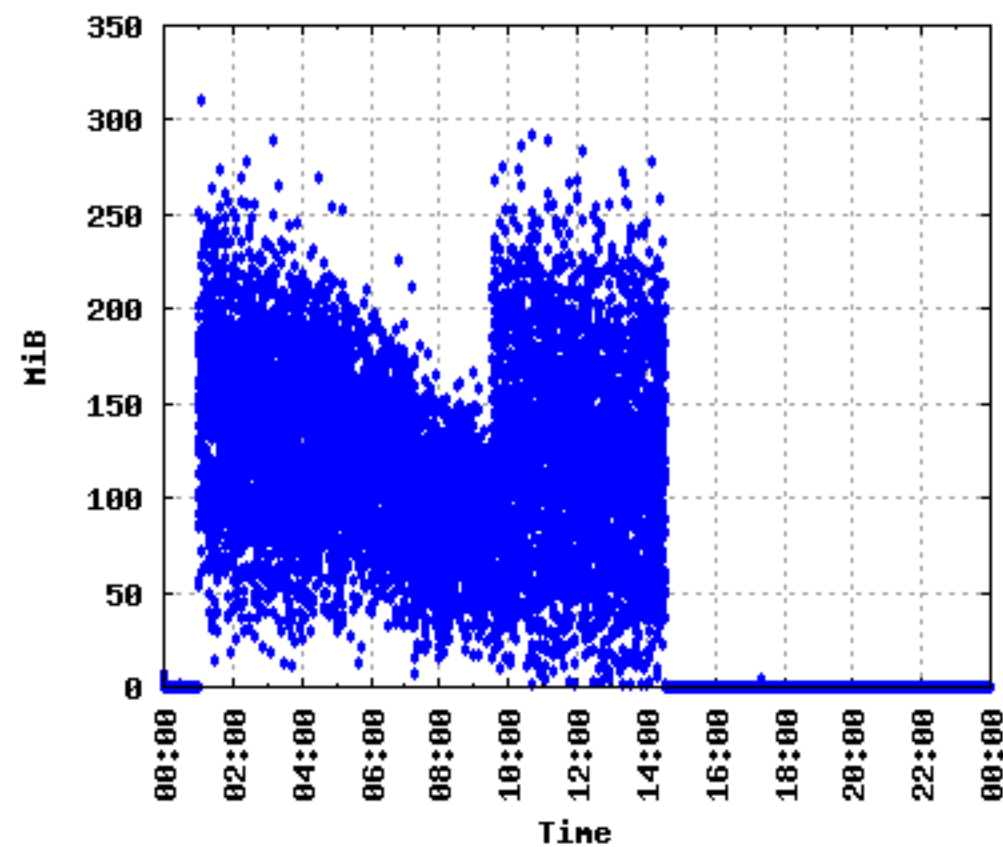

Kernel Table Statistics
srv3.unixos.org, 01/26/14
Unused cache entries in directory cache
